

# Evangelism: Partnering with local Assembly

**Objective:** Partnership with local believers - “Ask the Lord of the harvest, therefore, to send out workers into His harvest.”

**Outcome:** making disciples of all nations (Matt 28:18-20) considering the nature of His promises in the Word and to seek good counsel and prayer support.

**Expected:** assist ‘worker’s’ increase in understanding during defense of the faith through accessible and presentable resources to reach lost souls.

There are two threads that are being formed as part of ‘working out my salvation’ and contending for **the faith**.

## 1/ Gospel Proclamation

- ✓ Sharing your testimony ( your testimony may speak to individual’s needs )
- ✓ Sharing tracts / pamphlets (providing your name and contacts)
- ✓ Developing leave behind material that provide more information

e.g. use of ‘leave behind’ labels or stickers having links to gospel information.
